This world needs a change of direction, and attitude is a key factor. With a bit of attitude, athletes become world champions, summits are reached, and contracts are signed. However, journalist Damia Aguilar tells us a story of how essential friendships are to overcoming obstacles as well. Marc Marquez is a MotoGP World Champion, and while his smile draws attention, his attitude makes him a leader. This fascinating book dives into his life, hopes, and dreams. It also includes collaboration from many other successful leaders such as Josef Ajram, Xavier Mir, Pedro Nueno, Jennifer Pareja, Hermanos Roca Fontane, and Laia Sanz."
