## En El Principio Era El Cuerpo Femen

Ukraine is not a brothel was the battle cry of the Femen when football fanatics were traveling east to celebrate a championship. Inna, Sasha, Oksana, and Anna have built a spectacular sense of feminism that goes beyond the limits of male moral, and also sheds their curses on poverty, exploitation, despotism, and churches. They have discovered that clearly the atomic bomb is the entertainment factor, and this book explains how and why they have reached such a conclusion."

Review

"'Femen' and 'Everyday Sexism' are two breakthrough movements to emerge in recent times, and they bring their own distinct 'manifestos' in book form. Both confirm that feminism is no longer a dirty word among twentysomethings but also that the ideology manifests itself differently from their campaigning Second Wave predecessors." "The Independent, " on the English-language edition"

**Femen** is made up of Anna Hutsol, Inna Schevchenko, Oskana Schachko, and Alexandra Shevchenko. They form a core that has revolutionized the ways to express anger and annoyances. Their seditious plans began to take shape by 2008 in the oppressive environment of Ukraine, but have since began taking shape with a varied repertoire throughout Europe.
